THE SOUND of our Solar System -

in frequencies Q modulus 9

by 1, 2, 3 where 5 is the Plant Kingdom ONLY
open system to Universe is Netflow of magnetic
force over surfaces (not closed space) - trees,
humans, insects, plasma wind = cosmology
up down, hex 1/6, or helices

let your Eye catch the Sound
Then you will fully Understand --

- Octave reduction of Orbs
- $1 \times 3/2$ $P^2: P^2$
- $r^3: r^3$ expansion
- angular velocity is harmonic proportion
- atomic charge: $1/4$ angular momentum
- $1/6^3$ magnetic spirals

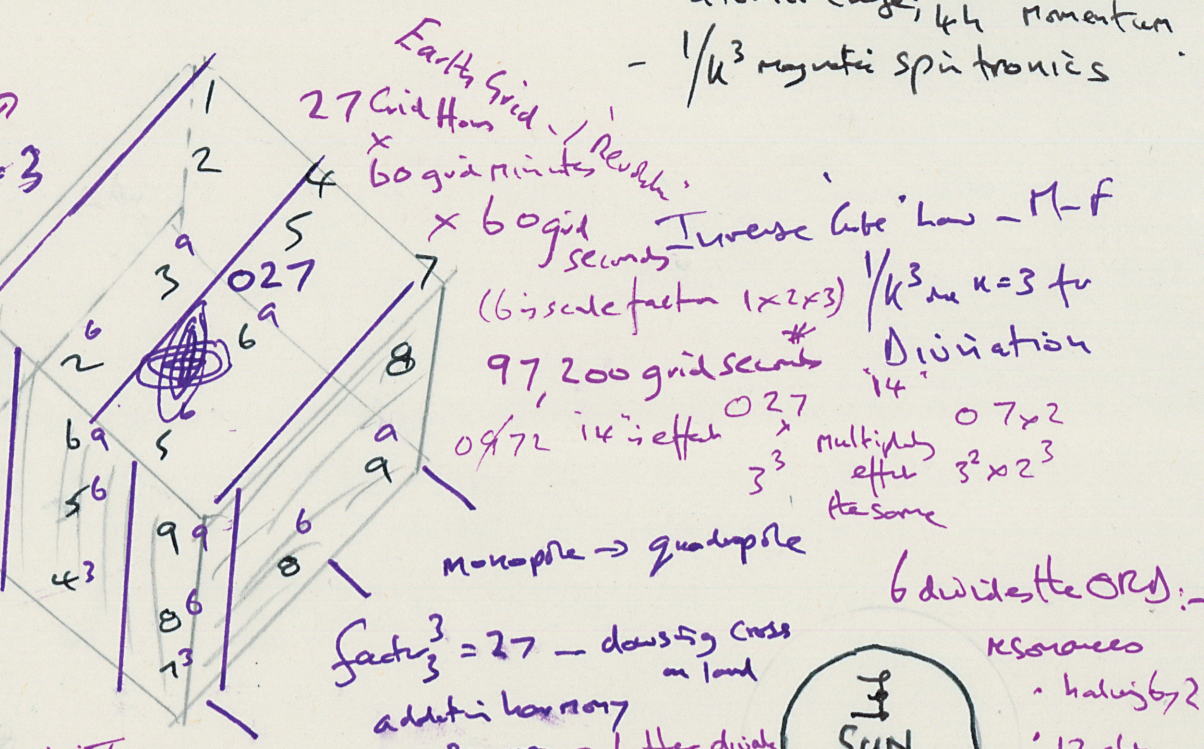

ALL frequencies = No. of Universe
